

► Daily Racing Form (New York, NY)

The *Daily Racing Form*, based in New York, NY, has purchased the Scoop editorial system from Software Consulting Services, LLC (SCS).

With a circulation of 60,000, "America's Turf Authority Since 1894" is a nationally distributed daily newspaper devoted to horseracing, publishes as many as 25 daily editions and has multiple production facilities.

DRF's purchase includes SCOPEdit™ for news copy and editing, SpellManager™ and Content Manager™. DRF plans to run 22 Macintosh® workstations for reporting and pagination. DRF will continue to use QuarkXPress® for pagination integrated with Scoop.

Scoop enables DRF to maintain their existing workflow while adding new features and capabilities to their editorial environment.
