

## LOS ANGELES TIMES AND SAN DIEGO UNION-TRIBUNE CHOOSE SCS/TRACK AD WORKFLOW MANAGEMENT SOLUTION FROM SCS

SCS is proud to announce that NANT Media Holdings, the limited liability company that operates the Los Angeles Times, San Diego Union-Tribune and several community newspapers in Southern California, has selected SCS/Track. The portfolio is collectively known as the California News Group.

SCS/Track was selected to provide standardized production workflows for NANT's print and digital advertising. Once the system is fully live, nearly 200 users – including ad builders, sales staff and advertisers – will use SCS/Track every day.

The SCS/Track installation began in early March and, despite the challenges posed by the COVID-19 pandemic, is expected to be completed by the end of April.
