

SCS ANNOUNCES PROMOTION OF LONG-TIME DEVELOPER

SCS is excited to announce that [Michael Grabowski](#) was promoted to Director of Application Development on February 10, 2023.

Mike has worked for SCS since 1999, starting as a Junior Application Developer working on reports for the company's accounting system. Shortly thereafter, Mike began work on SCS/Track and at the time had the opportunity to visit many of SCS's customers across the US and South America to help demo and deploy the SCS/Track application.

In 2015, Mike was named Senior Application Developer and continued to expand his knowledge across SCS's various applications and systems, contributing significantly to

making SCS/Track into the web-based application it is today.

Aside from his love of Computer Science and software development, he also has a passion for gaming and is part owner of The Portal Comics and Gaming located in Bethlehem, Pennsylvania.

Mike lives in Slatington, Pennsylvania with his wife, Katie, and his children, Kyra (age 12) and Brady (age 8).

About SCS:

SCS offers an extensive line of publishing-related applications, including Layout-8000™. More than 300 sites producing over 2,000 publications in 10 countries in 5 languages use SCS mission-critical software every day. SCS is privately held by Kurt Jackson. You can learn more about the company at www.newspapersystems.com.
