

SCS ANNOUNCES HIRING OF TWO NEW FULL-TIME EMPLOYEES AND FIVE INTERNS IN SUMMER 2023

SCS is excited to announce the hiring of [Winter Goodman](#) as an Applications Developer on May 15th, 2023.

Winter graduated from Lehigh University with a Bachelor of Science degree in Physics in 2022. However, she found a passion for coding and spent last summer teaching herself with the goal of attaining a role in software development.

SCS is also happy to announce the hiring of [Ryan Johnson](#) as a Sales and Marketing Analyst on June 6th, 2023.

Ryan graduated from DeSales University with a Bachelor of Science degree in Marketing and Data Analytics. He is currently pursuing a Master of Science degree in Business Analytics also from DeSales University.

SCS is also thrilled to continue its Summer Internship program with three returning interns and two new interns. [Ambrose Cavalier](#) is back for his 4th summer internship with SCS. He is currently studying Philosophy at Christendom College.

Sam and Cyrus Desai return for their 2nd summer internship with SCS. The brothers graduated from Southern Lehigh High School in June 2023, and will start at the University of Michigan in the fall studying Computer Science.

Finally, Nicholas Bull and Nathan Moore are both joining the SCS team as summer interns. Nicholas and Nathan are rising seniors at Southern Lehigh High School.
